

January 2026

Dear Sponsor,

The 2026 celebration of Islandfest on scenic Grosse Ile is just around the corner. Three fun filled days of carnival rides, live entertainment, a parade, vendors and Saturday night fireworks in our VIP area. Each year the foot traffic has increased and we expect over 20,000 visitors this year. Our Island Cup Soccer Tournament will be returning and the registrations are coming in fast. Say "YES" to be part of the biggest and best festival downriver.

Without our past and present sponsors this event would not be possible. We respectfully ask for your consideration to become a sponsor. The event will be held May 29, 30 & 31, 2026. You can visit our website at www.grosseileislandfest.com. We look forward to hearing from you.

Sincerely,

Chad Novak
